MEMORANDUM FOR: Chief, Policy and Plans Group

K1  
FROM:

[REDACTED]  
Chief, Security Education

SUBJECT: DDA Weekly Log (U)

Security Education Group sponsored a presentation by the FBI which graphically depicted a hostile intelligence threat as it is reported by many locations of the official Soviet presence here in the Washington, D.C., area. The revealing "sight-seeing" tour around the D.C. area is not one which the normal tourist takes but one which is of great interest to intelligence officers. SEG is planning to incorporate parts of this presentation into its briefings to heighten the awareness of all Agency employees to the likelihood of hostile intelligence presence in and around their homes and places of recreation.
